GIVING THANKS:

~for October's Refresh & Renew conference for missionaries on home assignment

Daily devotional challenges from Psalm 23 offered spiritual refreshment as we considered our Good Shepherd & His loving care in our lives. Then we shifted focus to recognizing how God worked through the hard times & faithful in beautiful ways. By the end of the sharing our stories we experienced Peachtree City a tour of the Center. (I'm in

through the hard times & faithful in beautiful ways. week we felt renewed by with others & refreshed as more of Atlanta & the area with golf cart rides & Martin Luther King, Jr. blue in the center back row)

~for productive and enjoyable Member Care team meetings

While at HQ new leadership met with our Member Care team for the first time & shared their vision of upcoming changes. I find future involvement in regional projects exciting.

~for our generous home church and their hard-working missions committee, who put on a parking lot sale that raised over \$3,000 for Steph's mission account.

PRAYER POINTS:

~The Lord's direction & timing for leadership to implement changes & begin new projects.

~Blessings on time in Oregon with my mother next month.

I love what I do & do what I love because of your partnership & prayers. Thank you!

With Gratitude, Jeanie
