

Giuseppe & Rachel Palermo!

*Church Planting—Milan Italy
Italian Ministries*

October 13, 2013

Giuseppe and Rachel Palermo are church planters living in Milan, Italy. They have been working with a church plant for the last couple of years and have been blessed with seeing a number of people commit their lives to Christ. They use a variety of methods to reach out in their community, yet find the best resource is time and relationship. God has blessed them with two beautiful daughters.
