Dear Parents,

Thank you for your interest in our school. We have adopted an admissions policy that opens the school to families who are like-minded spiritually, who are supportive of our philosophy, objectives and standards of education, and whose children meet our enrollment standards. Our purpose is to serve families who desire not simply an excellent education, but a distinctively Christian education for their children. Our open admissions policy also encourages those that do not know the Lord, or do not agree with some of the doctrinal issues of Gladstone First Baptist Church. We strongly desire that you have a clear understanding of our educational philosophy and mission, and are willing to have your child exposed to the teaching of the Bible as we integrate it throughout our program. We will be teaching age-appropriate concepts that show your child how God loves us, and how we in turn can learn to love others in the same way. Preschool children look at this very basically, as in learning to share, taking turns, being kind, and showing respect to other students as well as teachers. We strive to provide an academically excellent program that will progress your child towards becoming a kind and intelligent adult. Research shows that early childhood is the most important time of development in the life of a child and the foundation of everyday skills prepares a child for future academic success.

Please read the Parent Handbook provided. It will introduce you to many of the school's policies, procedures and expectations for both parents and students.

We look forward to partnering with you to educate your child.

Thank you,

Brenda Crosby
Director of Education
Sonshine Preschool
