

# Sunshine Preschool

## 2019-2020

Welcome to the mid-summer month of July! The month where it seems like summer can't possibly be halfway done yet, but we actually have to start thinking about school again! I have really enjoyed this last month at home and with my family, and I hope that you have been able to fill yours with fun things and a little bit of relaxation, too. I have already spent many creative hours planning the myriad of great things we will learn this year. We are so excited you have chosen our preschool, and can't wait to be with your kids!

**Orientation will be Friday, September 6<sup>th</sup> 10:00-11:30am.** While all students and parents are welcome to attend, we highly recommend new families come. It is a great time to introduce your child to the classroom for a short time, as well as parents being able to attend an informative meeting about expectations at Sunshine Preschool.

**Please bring a photo of your child to the Orientation or their first day of school.** We will be working on a picnic project for their year-end book. This does not need to be a formal photo, but a small headshot no more than 2-3 inches that can be used to put up on our bulletin board.

**Please bring a plain t-shirt for another project during the first week of school.** We will be painting sunflowers on them, so any color but yellow would be fine. White usually looks best!

**Enclosed you will find our yearly calendar.** You will notice that we will take off the traditional federal holidays, 1 week for Thanksgiving, 2 weeks for Christmas Break, and 1 week for Spring Break. Other than that, we will have school every Monday through Friday, even when other schools have in-service days.

Something else to be working on is gathering dates for shots that your child has had since birth. Your doctor's office can supply you with this information, usually in a printout. **Oregon Law now requires that all students have an Immunization Form on file by their first week of attendance.** Returning students will not need to fill out an entirely new form. You can update your current form that is on file at school, or we can just attach a printout with updates. We just need the name of the shot, date, and your signature on the form as an update. New students: We have supplied an Immunization Form in this packet for you to fill out and bring back no later than September 13<sup>th</sup>.

**Lastly, bring in the enclosed Parent Payment & Parent Handbook Agreements by 9/13.**

As always, we look forward to seeing old friends and making new ones. Please call me if you have any questions. Thank you!

Sincerely,

Mrs. Brenda Crosby, Director
